

Community Medical Transportation

Providing assisted, accessible transportation within Lincoln and surrounding areas.

Community Medical Transportation

Community Medical Transportation provides accessible and affordable transportation for the elderly and disabled to medical services. Because of the financial support of Lincoln, Lancaster County, United Way and others, we are currently able to offer the following rates.

Routine trips in Lincoln are \$15 each way.

On-going trips to medical services in Lincoln are \$8 each way. On-going trips are defined as trips for dialysis, chemotherapy, physical therapy, etc. when the medical service is scheduled for six weeks or more and at least two times per week.

These reduced rides are available when using Madonna's Community Transportation Service and the services of Transport Plus. Please work directly with the providers.
